

WAV MANIACS

'Wav Maniacs' label founded by 'DABRO Music' sound producers for Video Games and Movies music production.

DABRO Music was originally founded on the 21st of December 2012 two brothers Nais and Seldome as a record label focused on Drum and Bass culture. Soon the Board was adopted by musician and multi instrumentalist Max Ferro.

After positive feedback and high rates from NOISIA and ComputerMusic Magazine on published sample pack from Nais in 2015 the usual record label turned into a Factory for the production of EDM and BASS MUSIC sample packs, vocal packs, VST/AU presets, DAW projects for Ableton Live, Bitwig Studio, FL Studio, Logic Pro, Cockos Reaper.
